### Children's Week

Hanging of the Hands is Sunday, January 29, 2012

Tens of thousands of paper cut-outs of Children's hands decorated by children and teachers are collected at child care centers and schools across the state and are hung throughout the Capitol Rotunda creating an amazing display of Children's art. The hands remain in the Capitol Rotunda throughout Children's Week as a reminder to legislators and advocates that we must take care of our most precious commodity—our children. (taken from the children's week website).

Stay tuned for more information!
