"Promoting Independence for People with Disabilities"

RIDING to INDEPENDENCE

The Coalition for Independent Living Options (CILO) is pleased to offer rides and travel training for people with disabilities in Martin County.

Please help spread the word to low income Martin County residents with disabilities in need of recurring transportation trips to:

- (1) medical appointments;
- (2) vocational training, including internships (paid and unpaid), college courses, trade school; or
- (3) paid employment.

For more information and/or to enroll in the program, please call Joe Anderson, Program Specialist, 772-485-4998.

Rides are funded with a United Way of Martin County grant.
