

Goldie Locks and the Three Bear's Philosophy

Classroom Display and Room Arrangement

Do you have questions about what an efficient and productive classroom should look like?

Are you looking for fresh ideas and interested in what research shows concerning a child's learning environment?

If you answered yes to these questions, then perhaps our workshop might answer some questions or shed light on some things you've wondered about.

We will do a virtual training on classroom arrangement and classroom display on **October 26, 2020 from 6:00-7:00 PM.**

This workshop will be limited to 15 people and you can register at www.elcirmo.org . **Please register by October 19, 2020** so we can make sure you get the handouts that will be used. Certificates will be sent out after the workshop.

You can contact the trainer, Pat Hickman if you have questions or need additional information at phickman@elcirmo.org or 863-357-1154.
