

# Classroom Management Trainings

**Classroom management begins the moment  
you open the door to your classroom.**

Classroom management is a critical piece of any successful school year. Students must know how to wait their turn, work out conflicts, stay on task – the list goes on. There are so many components' teachers need to orchestrate well for learning to happen.

## **Training Dates:**

**Infant/Toddler- September 8<sup>th</sup>**

**Pre-K -September 15<sup>th</sup>**

**All trainings will be offered from 12:30-1:30 virtually**
