

VPK Training - Classroom Kit Provided!

On May 12, 2022 we are hosting a special training for all VPK Providers:

“Frame Their Learning!”

Frame Their Learning is a highly visual “pocket chart program” that’s easy to use and directly correlated to all CLASS® domains and behavioral markers, but specifically designed to provide additional guidance in the **Instructional Support domain**.

We urge **all VPK Providers** to attend this training on **May 12th** from **1:00-3:00 PM** in each of the three counties. **Please register quickly at www.elcirmo.org** and specify which county’s event you will be attending.

- **Okeechobee County training:** at **Peace Lutheran Preschool**. 750 NW 23rd Lane
- **Martin County training:** at the **First United Methodist Preschool** 1500 S Kanner Hwy, Stuart, FL 34994
- **Indian River County training:** at the **Indian River ELCIRMO office**. 2459 St Lucie BLVD, Vero Beach

It is our intent to provide this training to assist with integrating CLASS concepts into VPK classrooms. Each Provider in attendance will receive a kit.
