INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc. Stuart. Florida

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2022, and 2021, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc., as of June 30, 2022, and 2021 and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
 include examining, on a test basis, evidence regarding the amounts and disclosures in the financial
 statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc.'s
 internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, State of Florida Chapter 10.650, Rules of the Auditor General, and special audit guidance provided by the Division of Early Learning, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 26, 2023, on our consideration of Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

NOTE A - NATURE OF ORGANIZATION

The Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc. (the "Coalition") is a Florida nonprofit corporation. The Coalition was originally incorporated on May 18, 2000, as the School Readiness Coalition of Martin County, Inc. in accordance with Florida State Statute 411.01, which established the Florida Partnership for School Readiness (the "Partnership"). On April 1, 2005, the School Readiness Coalition of Martin County merged with Indian River School Readiness Coalition, Inc. and the Okeechobee County School Readiness Coalition, Inc. The corporate entities known as the Indian River County School Readiness Coalition, Inc. and the Okeechobee County School Readiness Coalition, Inc. were dissolved as a part of this merger. In addition, the Coalition administers the Voluntary Pre-Kindergarten ("VPK") program in accordance with the Voluntary Pre-Kindergarten Education Program Act, Chapter 1002, part V, Florida Statues.

The Coalition administers subsidized childcare assistance and programs that give children a competitive start in life. The Coalition is responsible for the planning and implementation of school readiness and voluntary pre-kindergarten services in the three-county area of Indian River, Martin, and Okeechobee Counties. The Coalition is also responsible for making decisions and providing support to meet the early education and childcare needs of the children in the communities served.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of presentation

The accompanying financial statements and accompanying schedules have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The Coalition reports information regarding its financial position and activities according to two classes of net assets as follows:

Net Assets Without Donor Restrictions

Net assets without donor restrictions are available for use at the discretion of the Board of Directors (the "Board") and/or management for general operating purposes. From time to time, the Board designates a portion of these net assets for specific purposes which makes them unavailable for use at management's discretion.

Net Assets With Donor Restrictions

Net assets with donor restrictions consist of assets whose use is limited by donor-imposed restrictions, time and/or purpose restrictions.

The Coalition reports gifts of cash and other assets as revenue with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, the net assets are reclassified as net assets without donor restriction and reported in the statements of activities as net assets released from restrictions.

Some net assets with donor restrictions may include a stipulation that assets provided be maintained permanently (perpetual in nature) while permitting the Coalition to expend the income generated by the assets in accordance with the provisions of additional donor-imposed stipulations or a Board approved spending policy.

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2. Cash and cash equivalents

The Coalition presents its cash flows using the indirect method. Cash and cash equivalents may consist of cash on hand, demand deposits, and all highly liquid debt instruments with original maturities of three months or less.

3. Grants receivable

The receivable from Florida's Division of Early Learning consists of grants due from federal and state governmental agencies and are recorded when services are provided. The grants receivable as of June 30, 2022, and 2021 are due in less than one year and management believes they are fully collectible.

4. Allowance for doubtful accounts

The Coalition determines an allowance for uncollectible receivables by specifically identifying balances which are doubtful as to collectability (typically amounts over ninety days old). As of June 30, 2022, and 2021, there is no amount included in the accompanying financial statements that represents an allowance for doubtful accounts.

5. Promises to give

The Coalition recognizes contributions at their estimated fair values when the donor makes a promise to give that is, in substance, unconditional.

Unconditional promises to give cash over a period of time exceeding one year are recorded at their present value of estimated future cash flows using a discount rate appropriate for the level of risk involved. Any related interest income is recorded as contribution revenue over the duration of the pledge.

Contributions that are restricted by the donor are presented as increases in net assets without donor restrictions if the restrictions expire in the year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

6. Property and equipment

The Coalition capitalizes all long-lived assets with an estimated useful life of three years or more and original cost/value of \$1,000 or more. Property and equipment are stated at cost for purchased assets and estimated fair value for donated assets and depreciated using the straight-line method over the following useful lives:

	Life
Computer equipment	5 Years
Furniture and fixtures	5-7 Years
Equipment	5-15 Years
Software	5 Years

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

6. Property and equipment (continued)

Contributions of property and equipment are recorded as revenue at their estimated fair value. Such contributions are reported as revenue without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as revenue with donor restrictions. Absent donor stipulations regarding how long those donated assets must be maintained, the Coalition reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Coalition reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

7. Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

8. Revenue recognition

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers* (ASC 606), which prescribes a single, common revenue standard to replace most existing revenue recognition guidance, including most industry-specific requirements. The standard outlines a five-step model whereby revenue is recognized as performance obligations within a contract are satisfied.

In June 2018, the FASB issued ASU No. 2018-08, Not-for-Profit Entities: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made (ASC 958), which clarifies how transactions should be accounted for as contributions (nonreciprocal transactions) or exchange transactions and whether a contribution is conditional.

The Coalition adopted ASC 606 and ASC 958 and all related amendments effective July 1, 2019. The adoption of the new standards had no significant impact on the Coalition's financial statements.

Revenue from government grants is recorded when earned, which is generally when the allowable costs of the specific grant provisions have been incurred or the performance of services rendered. Such revenue is subject to audit by the grantor and, if the examination results in a deficiency of allowable expenses, the Coalition will be required to refund any deficiencies. Management is of the opinion that all monies recognized as revenue have been earned as of June 30, 2022, and 2021. These amounts are reflected as revenue without donor restrictions if received and expended in the same year.

Revenue from program fees is recognized when the earnings process is substantially complete and goods have been delivered or services performed. Revenues from program fees are recognized in the year to which they relate. As part of the School Readiness and Voluntary Pre-Kindergarten grants, the Coalition receives advances on revenue which are to be repaid to the state. As of June 30, 2022, and 2021, the Coalition held no advances outstanding.

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

9. Contributed services

In September 2020, the FASB issued ASU No. 2020-07, *Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Non-financial Assets*, which requires the monitoring and tracking of gifts in kind by asset category, while also noting any donor-imposed restrictions. The Coalition adopted ASU No. 2020-07 effective July 1, 2021. The adoption has no significant impact on the Coalition's financial statements.

Contributions of services are recognized as revenue at their estimated values at the date of receipt if the services create or enhance nonfinancial assets or require a specialized skill. No contributed services have been recognized in the accompanying financial statements.

10. Expense allocation

The costs of the various programs have been summarized on a functional basis in the Statements of Activities and Changes in Net Assets and Statements of Functional Expenses. Accordingly, costs have been allocated among the Program and Supporting Services, based upon the amount of time spent on activities by employees.

11. Income taxes

The Coalition is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code; therefore, no income tax provision is required in the accompanying financial statements. The Coalition is not classified as a private foundation. Contributions to the Coalition are qualified as deductions for charitable contributions.

Management has analyzed the Coalition's various federal and state filing positions and believes that its income tax filing positions and deductions are well documented and supported, and no accruals for tax liabilities are necessary. Therefore, no reserves for uncertain income tax positions have been recorded.

12. Advertising costs

All advertising costs are considered non-direct response advertising costs and are expensed as incurred.

13. Accrued compensated absences

Paid time off is accrued based on completed years of employment with the Coalition. Paid time off may be carried over up to a maximum of 120 hours to the next year. Upon resignation, death or retirement, employees are paid in one lump sum for accrued paid time off as of the last day of employment.

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

14. Recent accounting pronouncements

In February 2016, the FASB issued ASU 2016-02, *Leases*, that requires lessees to put most leases on their balance sheets and recognize expenses on their income statements in a manner similar to today's capital lease accounting. The guidance also eliminates today's real estate specific provisions for all entities. For lessors, the guidance modifies the classification criteria for accounting for sales-type and direct financing leases. The new guidance is effective for fiscal years beginning after December 15, 2021. The Coalition is evaluating the potential effects ASU 2016-02 will have on its financial statements.

15. Subsequent events

Management has performed an analysis of the activities and transactions subsequent to June 30, 2022, to determine the need for any adjustments to and/or disclosures within the audited financial statements for the year ended June 30, 2022. Management has performed their analysis through January 26, 2023, the date the financial statements were available for issuance.

NOTE C - CONCENTRATIONS OF RISK

The Coalition maintains cash deposits at a financial institution located in Martin County, Florida. Deposits located at the financial institution are insured by the Federal Deposit Insurance Corporation (FDIC) and during the year balances may fluctuate above and below this amount. On June 30, 2022, and 2021, the Coalition held \$1,229,363 and \$1,169,255, respectively, in excess of FDIC limits. The Coalition has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk on cash and cash equivalents.

The Coalition received approximately \$20,141,000 and \$17,406,000 of funding from two sources that individually comprised ten percent or more of total revenue and support for the years ended June 30, 2022, and 2021, respectively. As of June 30, 2022, and 2021, the Coalition had net receivable balances from these sources of approximately \$41,000 and \$403,000, respectively.

NOTE D - PROPERTY AND EQUIPMENT

Property and equipment at June 30 are summarized as follows:

		2022		2021
Computer equipment Furniture and fixtures Equipment Software	\$	63,009 37,875 43,001 11,236	\$	56,434 22,734 59,358 15,779
Less: accumulated depreciation		155,121 (93,496) 61,625	<u> </u>	154,305 (119,019) 35,286
	Ψ	01,020	Ψ	33,200

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

NOTE D - PROPERTY AND EQUIPMENT (CONTINUED)

Depreciation expense for the years ended June 30, 2022, and 2021 was \$5,588 and \$3,736, respectively.

The Coalition has purchased equipment through grant contracts. According to the guidelines established, all equipment with a purchased price in excess of \$1,000 purchased with these funds belongs to the State of Florida. The Coalition is considered the custodian of such property. The Coalition's total equipment purchases for current and prior fiscal years, in aggregate, total approximately \$155,000 and \$154,000 as of June 30, 2022, and 2021, respectively. Disposition of this equipment must be approved by the grant source. Since the Coalition expects to fully depreciate these assets over the estimated useful lives (which would result in no value being from the Coalition to the State), these assets have been recorded as part of net assets without donor restrictions.

NOTE E - LINE OF CREDIT

The Coalition has an available line of credit agreement in the amount of \$100,000 with a bank. The line of credit is due on demand and bears interest at the prime rate plus 2.00%, with a minimum interest rate of 5.25% at June 30, 2022, and 2021. The note is secured by various assets held by the Coalition. As of June 30, 2022, and 2021, there was no outstanding amount due on the line of credit agreement.

NOTE F - COMMITMENTS AND CONTINGENCIES

The Coalition leases office space and equipment under operating leases. Future minimum annual rent payments for the operating leases are as follows for the fiscal years ending June 30:

2023	\$ 117,286
2024	120,215
2025	122,212
2026	122,826
2027	 95,108
	\$ 577,647

For the years ended June 30, 2022, and 2021, rent expense on operating leases totaled approximately \$101,000 and \$105,000, respectively.

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

NOTE G - RETIREMENT PLAN

The Coalition sponsors a 403b defined contribution plan that covers substantially all full-time employees. Employees who have worked at least one year and who are at least eighteen years of age are eligible for employer contributions. The employer contributes a mandatory 5% per year of each covered employee's salary per year.

The Coalition also sponsors a 457 deferred compensation plan that covers substantially all full-time employees. Employees who have worked at least one year, considered full time and who are at least eighteen years of age are eligible to participate. The Coalition offers 100% match of employee contributions up to 2% of employee's salary. The total employer contributions for the two plans listed above were approximately \$57,000 and \$62,000 for the years ended June 30, 2022, and 2021, respectively.

NOTE H - RELATED PARY TRANSACTIONS

During the years ending June 30, 2022, and 2021, the Coalition contracted with organizations that had individuals associated with those entities who also served on the Board of Directors of the Coalition. During the fiscal years ended June 30, 2022, and 2021, the Coalition collectively paid approximately \$2,394,000 and \$2,485,000 to these contracted centers, respectively. As of June 30, 2022, and 2021, the Coalition owed the contracting centers approximately \$56,000 and \$69,000, respectively.

NOTE I - CALCULATION OF MAXIMUM ADMINISTRATIVE EXPENSES

The following table compares administrative expenses incurred to expenses subject to the maximum administrative expenses allowed by Division of Early Learning ("DEL") for the School Readiness and Voluntary Pre-Kindergarten programs for the years ended June 30, 2022 and 2021:

2022:		School Readiness		luntary <u>(indergarten</u>	 Total
Total administrative expenses subject to 5% and 4% maximum	\$	358,471	\$	138,229	\$ 496,700
Maximum 5% and 4% administrative expenses allowable		491,53 <u>5</u>		207,170	 698,70 <u>5</u>
Administrative expenses (under) over maximum	\$	(133,064)	<u>\$</u>	(68,941)	\$ (202,005)
		Cabaal	\/a	lunton/	
2021:	_	School Readiness		luntary <u>(indergarten</u>	 Total
2021: Total administrative expenses subject to 5% and 4% maximum	\$				 Total 460,803
Total administrative expenses subject	\$	Readiness	Pre-K	<u>(indergarten</u>	\$

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

NOTE J - FUNCTIONAL EXPENSES

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include occupancy and depreciation, which are allocated on a square footage basis, as well as salaries, employee benefits, payroll taxes, and advertising, which are allocated on the basis of estimates of time and effort.

NOTE K - RISK AND UNCERTAINTY

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the Coalition's financial condition, liquidity, and future results of operations. Management is actively monitoring the global situation.

NOTE L - LIQUIDITY AND AVAILABILITY OF RESOURCES

The Coalition's financial assets available within one year of the statements of financial position date for general expenditures are as follows:

interial experiantares are as follows.	2022	2021
Cash and cash equivalents Grants receivable Due from provider	\$ 1,443,702 136,876	\$ 1,365,256 424,457 59,513
Total financial assets available within one year	1,580,578	1,849,226
Less: Amounts unavailable for general expenditures within one year: Accounts payable and accrued liabilities	(1,142,130)	(1,420,824)
Total amounts unavailable for general expenditures within one year	(1,142,130)	(1,420,824)
Total financial assets available to management for general expenditure within one year	\$ 438,448	\$ 428,402

As part of the Coalition's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The Coalition has receives approximately 97% and 96% of its funds from federal and state grants passed through DEL for the years ended June 30, 2022 and 2021, respectively, which are on a reimbursable basis. Throughout the year, the Coalition receives advances and reimbursements each month to cover incurred expenses. To help manage unanticipated liquidity needs, the Coalition has a committed line of credit of \$100,000, which it may draw upon.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc. Stuart. Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc. (the "Coalition") (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 26, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Coalition's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Coalition's internal control. Accordingly, we do not express an opinion on the effectiveness of the Coalition's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Coalition's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Coalition's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Coalition's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

American Institute of Certified Public Accountants

Florida Institute of Certified Public Accountants INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND STATE OF FLORIDA CHAPTER 10.650, RULES OF THE AUDITOR GENERAL

To the Board of Directors of Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc. Stuart, Florida

Report on Compliance for Each Major Federal Program and State Project

Opinion on Each Major Federal Program and State Project

We have audited Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement and the requirements described in the Department of Financial Services' State Projects Compliance Supplement, special audit guidance provided by the Division of Early Learning that could have a direct and material effect on each of Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc.'s major federal programs and state projects for the year ended June 30, 2022. Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc.'s major federal programs and state projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2022.

Basis for Opinion on Each Major Federal Program and State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); Chapter 10.650, *Rules of the Auditor General*, and special audit guidance provided by the Division of Early Learning. Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state project. Our audit does not provide a legal determination of Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc.'s federal programs and state projects.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance and Chapter 10.650, *Rules of the Auditor General* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc.'s compliance with the requirements of each major federal program and state project as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.650 *Rules of the Auditor General*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit
 procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Early
 Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc.'s compliance with the compliance
 requirements referred to above and performing such other procedures as we considered necessary in the
 circumstances.
- Obtain an understanding of Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc.'s internal
 control over compliance relevant to the audit in order to design audit procedures that are appropriate in the
 circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance
 and Chapter 10.650, Rules of the Auditor General, but not for the purpose of expressing an opinion on the
 effectiveness of Early Learning Coalition of Indian River, Martin and Okeechobee Counties, Inc.'s internal control over
 compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program and state project on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program and state project will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program and state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.650 *Rules of the Auditor General*. Accordingly, this report is not suitable for any other purpose.

Total Expenditures of Federal Awards and State Financial	Assistance		\$ 20,183,755

Note A: Basis of presentation

The accompanying schedule of expenditures of federal awards and state financial assistance is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), the Florida Department of Financial Services' State Projects Compliance Supplement, and State of Florida Chapter 10.650, Rules of the Auditor General. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

Note B: Indirect Cost Rates

The Coalition has elected to not use the 10% de minimis indirect cost rate for its federal programs and state projects for the year ended June 30, 2022. The indirect cost rates used on the Coalition's federal programs and state projects are determined by the relevant federal or state agency.

See independent auditor's report.
