A STEP-BY-STEP GUIDE FOR PARENTS

HOW TO GET ABA SERVICES FOR YOUR CHILD

1 **Talk to your pediatrician** and tell them the concerns you are having with your child.

2 The pediatrician will then **refer you to a psychologist**.

3 Reach out to your **insurance company** to make sure ABA therapy is covered, and call ABA companies to make sure they accept your insurance and join the waitlist.

Have questions or want to learn more?
Contact In Motion ABA
@ (321) 677-2222

4 The psychologist will do an **evaluation** to determine a diagnosis.

5 In **4-8 weeks** you will get an **official diagnosis** (ASD, ADHD, ODD, etc)

6 Contact **In Motion ABA** at (321) 677-2222 to let us know about the diagnosis and learn about the next steps.

7 A **BCBA** will contact you for an initial assessment/observation.

8 A **treatment plan** will be written by the BCBA and submitted for insurance approval

9 Once there is an approval the BCBA and RBT will begin providing ABA therapy in your desired setting (In home, daycare, school or clinic)

ELC IRMO's Substitute Pool

Powered by  tandem

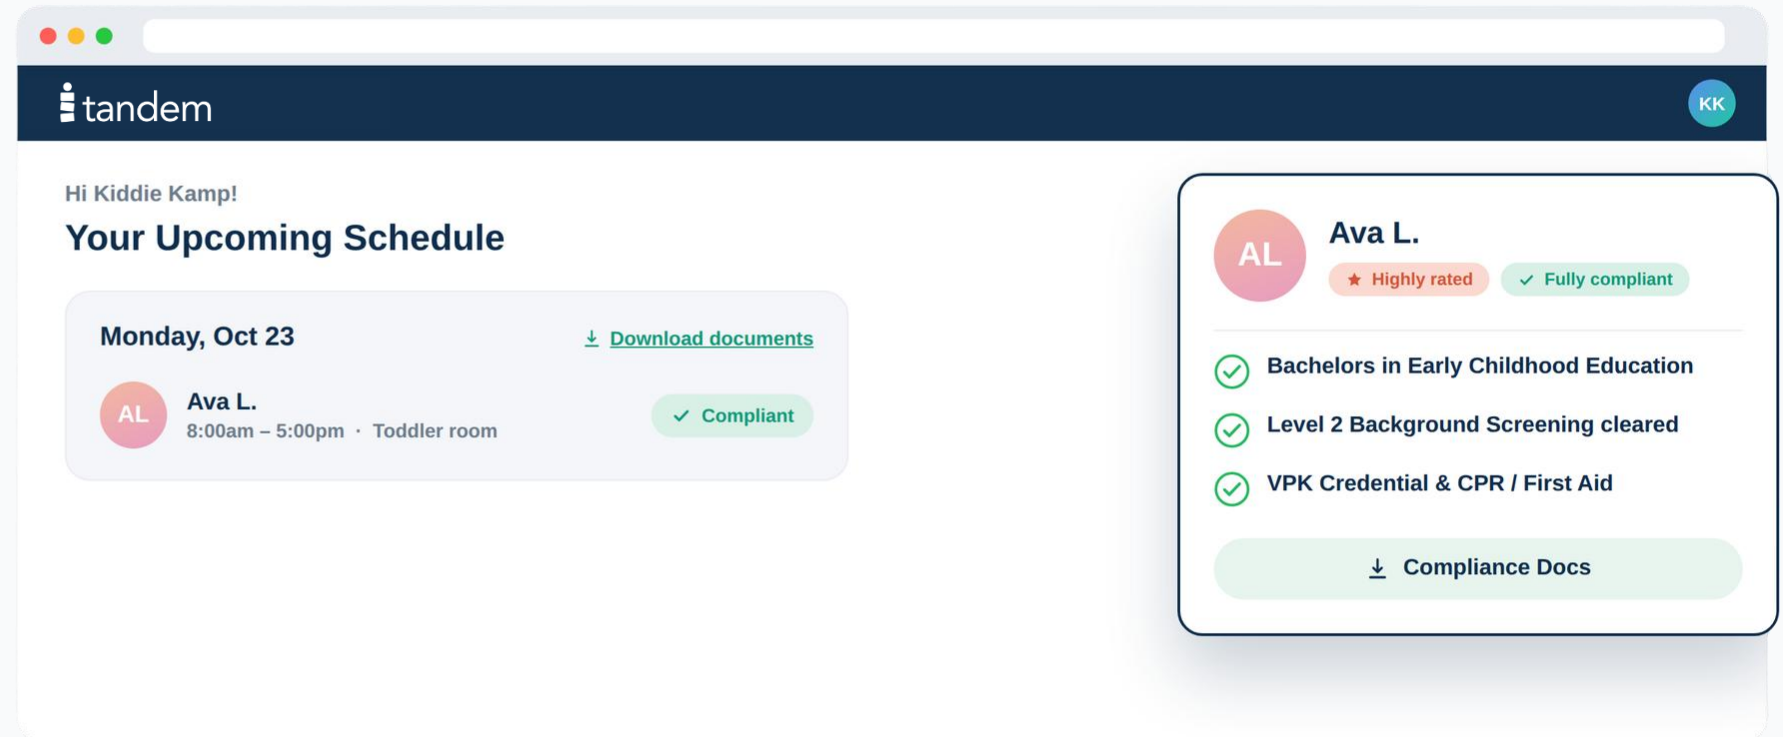

A woman with dark hair in a ponytail and a young girl with braids are sitting at a table, focused on drawing. The woman is wearing a white shirt and a watch, and the girl is wearing a yellow top. They are surrounded by various colored markers and papers. The background is a soft, out-of-focus indoor setting.

TANDEM OVERVIEW

We keep classrooms staffed, so
children keep **learning.**

Substitute pools provide staffing stability.

Tandem gives you on-demand access to state-compliant substitutes while handling compliance, matching, and payments.

What the ELC partnership includes for contracted providers:

Request substitutes

Post a shift and connect with state-compliant substitutes for call-offs, PTO, and coverage.

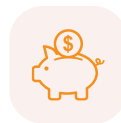

Access compliance files

You'll receive the substitute's full compliance file ahead of their first shift.

Review & rebook

The ability to book the same substitute again creates continuity of care in the classroom.

One Free Shift (Martin)

The coalition will reimburse one shift, just submit the invoice and a reimbursement form.

From sign-up to a staffed classroom, Tandem keeps the process simple.

01 Register for free

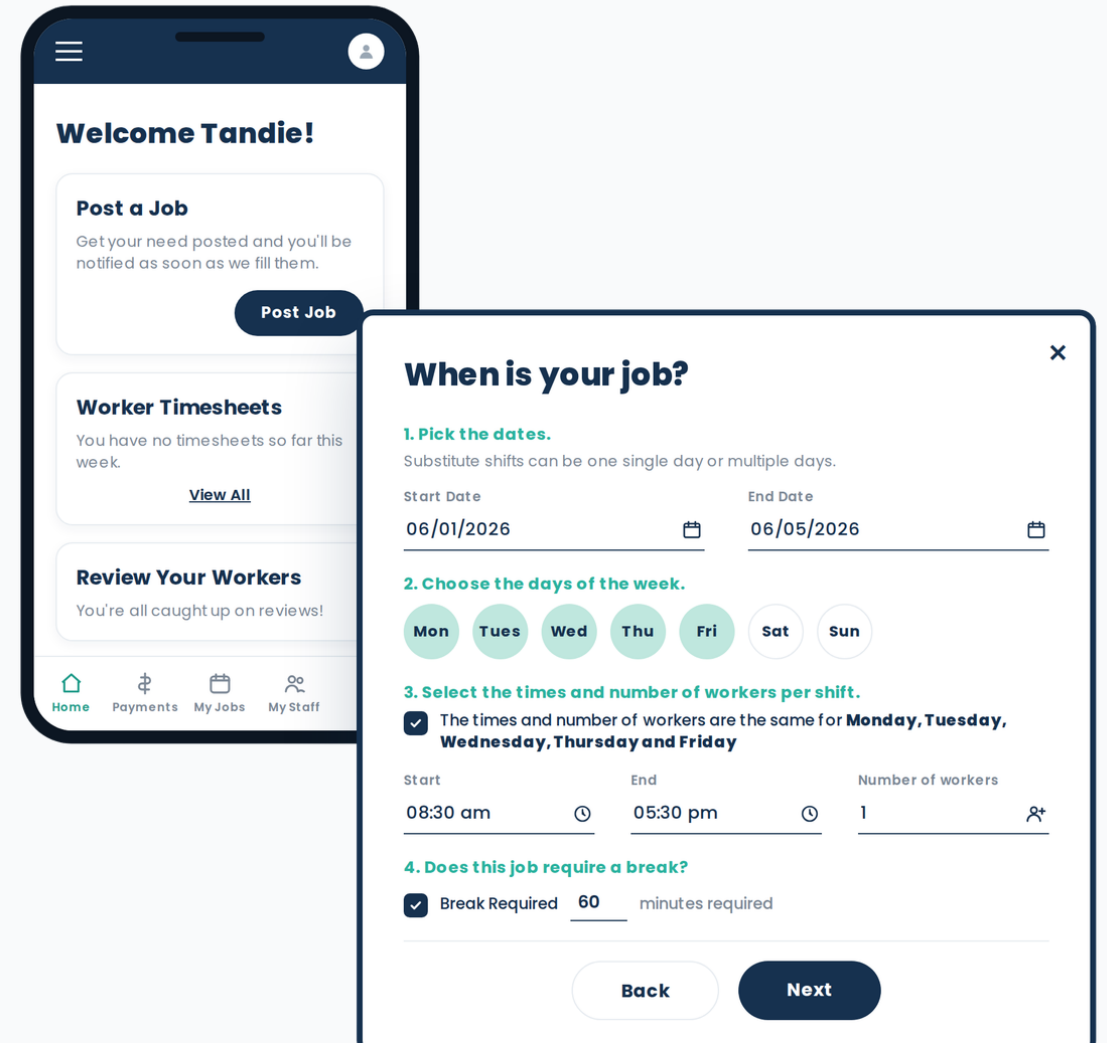

Create your free profile so you're ready before staffing needs arise.
<https://www.join-tandem.com/partners/elc-irmo>

02 Post shifts as needed

When you need substitute coverage, you'll post the shift through your Tandem account.

03 Stay in ratio with subs in the classroom

We'll let you know as substitutes apply and you can select the best-fit candidate to book.

The image shows a mobile app interface for Tandem. The top part displays the home screen with a 'Welcome Tandie!' message, a 'Post a Job' button, and sections for 'Worker Timesheets' and 'Review Your Workers'. The bottom part shows a 'When is your job?' form with the following fields:

- 1. Pick the dates.** Start Date: 06/01/2026, End Date: 06/05/2026.
- 2. Choose the days of the week.** Mon, Tues, Wed, Thu, Fri, Sat, Sun.
- 3. Select the times and number of workers per shift.** Start: 08:30 am, End: 05:30 pm, Number of workers: 1.
- 4. Does this job require a break?** Break Required: 60 minutes required.

The form has 'Back' and 'Next' buttons at the bottom.

You'll post shifts as needed, and we collect applications.

01 Post the shift.

- Connect a payment method. We'll bill you weekly for completed substitute hours.
- Enter the schedule and any role-specific requirements.

The mobile app interface shows a 'Welcome Tandie!' screen with a 'Post a Job' button. Below it, there's a 'Worker Timesheets' section and a 'Review Your Workers' section. A modal titled 'When is your job?' is open, showing the steps to post a job.

When is your job?

1. Pick the dates.
Substitute shifts can be one single day or multiple days.

Start Date: 06/01/2026 End Date: 06/05/2026

2. Choose the days of the week.
Mon, Tues, Wed, Thu, Fri, Sat, Sun

3. Select the times and number of workers per shift.
☒ The times and number of workers are the same for Monday, Tuesday, Wednesday, Thursday and Friday

4. Does this job require a break?
☒ Break Required 60 minutes required

Back Next

The desktop view shows the job posting form for an 'Assistant Toddler Teacher' position. It includes a description of the role, a list of days and times for the shift, and a 'SUBMIT' button.

Assistant Toddler Teacher **Substitute**

We ask that you follow the class schedule, take initiative in the classroom, and stay engaged with the children. Assist in classroom cleaning and organization. Always prioritize the safety of the children by maintaining ratio and absolutely no phone usage in classroom.
