

# Quality of Feedback

**Quality of Feedback is responding to what children say and do in ways that deepen their understanding or encourage them to persist.**

In the CLASS assessment, this is typically one of the areas in which a center doesn't score very high during an observation. Come and let us help you discover a variety of methods and strategies that can help you have a better understanding of this concept.

**When?                      October 15, 2019                      6-8 PM**

**Where?                      Peace Lutheran Preschool**

**Who?                              Pat Hickman will be presenting**

**RSVP-                              [www.elcirmo.org](http://www.elcirmo.org) go to the training calendar and click on the date.  
This workshop is limited to 25 participants and the deadline to register is 10/11/19**
