

TALK WITH ME BABY

Talk With Me Baby offers a **Language Nutrition** training program, and provides vital information on the science behind Language Nutrition.

Learn how to model and effectively communicate Language Nutrition messages and practices to families, and support parents and caregivers as a child's first and best teacher. Attendees will leave equipped to coach parents on the how and why of early language exposure.

Targeted Audience:

Community Partners - Infant/Toddler Caregivers

Jenn Faber with the Florida Campaign for Grade-Level Reading will be presenting this vital workshop for Martin County Providers on:

- September 13, 2018 from the hours of 10am - 12 Noon.
- Training Location: Children's Services Council, Martin County, Stuart, Fl.
- Space is limited, so please register for this training at www.elcirmo.org
