Step 2 **Select Program**

School Readiness

Florida's School Readiness Program or SR offers financial assistance to eligible low-income families for early education and care so they can become financially self-sufficient and their young children can be successful in school in the future. Services vary based on individual needs and range from extended day care to after-school and school-age care in some instances.

[Apply for School Readiness](#)

VPK

Florida's Voluntary Prekindergarten Education Program or VPK is a free educational program that prepares 4-year-olds for kindergarten and beyond. Children must live in Florida and be 4 on or before September 1 of the school year they enroll. Parents can choose from private child care centers or public schools and school-year or summer programs. Parents of 4-year-olds with special needs have an option outside the classroom setting - VPK Specialized Instructional Services (VPK-SIS).
